

Kay Stanis Workshop

Butterfly Dance

Date: March 12 and March 14, 2018 (Monday and Wednesday)

Location: Heights Presbyterian Cumberland Church

Kit Fee: \$90.00

Workshop fee: \$80.00

Dancing couched butterflies in braids of gold and silver literally float over the wisteria. The background on congress cloth can be either:

- Blossoms and bud variations of satin stitch
- Or a basic filling pattern suggesting a trellis

Accents of beads and goldwork add a feeling of opulence to the summer sunshine.

The foreground supporting the couched butterflies is silk interlock canvas, which allows the sparkling butterflies to drift over the flowers. Threads used include many sizes of braid, check purl and several hues of Soie Mori. Special Loch Rosen crystals add to an assortment of bugle and seed bead embellishments.

To hold your place for the workshop, the non-refundable kit fee of \$90 (made out to Sandia Mountains, EGA) is due by January 9, 2018 and balances will be due March 1, 2018 and should be sent to:
